

Feeding Contest – 3 Balls across (all deep)

Rules

- 1) The target areas are shown in the colored area. Each area is worth 1 point.
- 2) The sequence (order) of targets goes from left to right. (1, 2, 3)
- 3) The Feeder may stand anywhere behind the dotted line. The line should be half way between the service line and the baseline (9')
- 4) There are three scorers that stand where shown in diagram.
- 5) Three scorers are required and they count only the target area in front of them as shown in the diagram. Scorers meet after each round and total the scores for the feeder.
- 6) Feeder get 60 seconds to hit as many targets as possible.
- 7) Feeder gets 6 practice feeds, but must start with no balls in their hands.
