

106) Mini Dingles:

Mini tennis points are played out with 2 doubles teams.

Level: 2.5 & Higher

Players 5 & 2 start by rallying with each other as players 1 & 4 do the same. Players 3 & 6 are on deck waiting to rotate in.

Ball 1: Both sets of players play separate points using a cross-court only mini tennis rally. The service boxes are the boundaries.

Ball 2: As soon as the first of those points end, the remaining point is played out as a doubles mini tennis point (service boxes only) with all 4 players playing the same point.

After both points are played, all the players rotate one spot around the court and repeat the sequence. Points are scored for who wins the first baseline point as well as who wins the mini-tennis point.

Volleys are legal, but only if hit with touch, no per volleys or overheads are allowed.
