

SERVING DRILL

C

42) Serve Tic-Tac-Toe:

Level: 2.5 & Higher

Fun team serving game with a twist.

Two teams of three players start at the baseline.

One team is serving to the ad court and the other teams serves to the deuce court.

The teams competes against each other.

Players serve to the designated box and if their serves goes in AND the second bounce is outside the court area (no wimpy serves) then they get to make a play in the Tic-Tac-Toe game.

The goal is to win the game of Tic-Tac-Toe against the other team, but you do not get to play Tic-Tac-Toe unless your serve goes in.

This is a fun game that adds a nice twist and players really like it.

The Tic-Tac-Toe game adds pressure to this serve drill.
